Bureau Veritas Certification Holding SAS – UK Branch certifies that the Management System of the above organisation has been audited and found to be in accordance with the requirements of the management system standards detailed below

ISO 14001:2015

Scope of certification

- Supervision, planning, coordination and control of tasks concerning exploration and prospection of hydrocarbon deposits and natural gas and crude oil production, underground waste storage, as well as import/export, storage, distribution, sale of gaseous and liquid fuels and other products related to the business activity and heat and electricity production,
- Exploitation and prospection of natural gas and crude oil deposits on the territory of the country,
- Exploitation of the national gas and crude oil deposits, including all supporting activities,
- Underground tankless storage of natural gas,
- Underground waste storage,
- Preparation, implementation and supervision of mining investments (i.e construction, extension and modernisation),
- Running wholesale natural gas (including liquefied natural gas – LNG), crude oil, hydrocarbon condensate, electricity, property rights, CO2 emission allowances and related products trade business,
- Preventing direct risks to the safety of people or operation of mining plant,
- Implementation of tasks of Mine Rescue Service in PGNiG S.A.,
- Production of high-methane gas, liquefied natural gas (LNG), liquid and gaseous helium, as well as liquid and gaseous nitrogen, including all supporting activities,
- Production of propane-butane gas mixture, hydrocarbon condensate and liquid sulphur, electricity, LNG and helium concentrate,
- Laboratory testing of hydrocarbon samples and other fluids and substances related to technological processes being carried out, including those performed by field laboratories,
- Research and measurement related to the needs of gas sector, including all accompanying activities.

Recertification Audit date: **23-06-2021**

Certification cycle start date: **20-07-2021**

Subject to the continued satisfactory operation of the organization's Management System, this certificate expires on: **19-07-2024**

Certificate No. **PL012515/U**

Version: **3**

Revision date: **16-12-2022**

Signed on behalf of BVCH SAS UK Branch
